25 YEAR RE-REVIEW

Honorable Allen W. Dulles

Director of Central Intelligence

(EXECUTIVE REGISTRY FILE White House)

1960

Dear

STAT

I regret that I have not sooner replied to your letter of March 16.

I am very much interested in your desire to make your services available upon your retirement from the Army. I have a high regard for your experience and capacity and would hope that something could be worked out.

The personnel and budget limitations imposed upon the staff here are such that in the absence of an open slot there is nothing that I can suggest. However, I am taking the liberty of discussing the situation with Secretary Herter and Director Allen Dulles and if anything promising develops, I will be in communication with you.

With warm regards.

Sincerely,

Gordon Gray  
Special Assistant to the President
